L.B. McDONALD – APPROVED subject to the alcohol being restricted to the table area adjacent to the food booths only – UNANIMOUS with BROWN excused

NOTE: COUNCILWOMAN McDONALD disclosed that she serves as outside director for a licensee who holds a privileged license. She has not discussed this matter nor would this impact Station Casinos in anyway. Therefore, she made the motion for approval.

MINUTES:

The applicant was present.

JIM DiFIORE, Manager, Business Services, indicated that this request is in conjunction with a business application for a carnival haunted house and pumpkin patch atmosphere. MR. BENGIMINA intends to restrict the sale and consumption of alcohol to a limited area adjacent to the food booths in the center of the area being utilized. He intends to use in-house security and Green Valley Security, a licensed security business, both uniform and visible. Alcohol will be restricted from the haunted house and other areas, and the security officers will enforce that. The event hours will be up to midnight. MR. DiFIORE recommended approval subject to the alcohol being restricted to the food tables adjacent to the food booths only. MR. BENGIMINA concurred with the condition.

MINUTES – Continued:

COUNCILMAN REESE questioned who would be enforcing the conditions and making sure that security is in place. MR. DiFIORE replied that his staff and staff from the Las Vegas Metropolitan Police Department, Special Investigations Division, would be monitoring.

COUNCILWOMAN McDONALD noted that her main concern is adequate traffic flow. MR. BENGIMINA asserted that the festival booths have been reduced in size to provide more parking. He is aware of the problem that occurred with parking when the San Gennaro Feast was held. But this event will not have carnival rides, and parking will be provided in the area where the carnival rides were located for the San Gennaro Feast. Access to parking will be provided off Alta. The Cheesecake Factory will not be affected, as parking will not be allowed across from the Cheesecake Factory.
